A: Once upon a time, in a kingdom very far away, there lived a king and a queen. The king was handsome and kind. Everybody loved him. But the real ruler of the kingdom was his wife — the queen.

Before she became queen, she worked in the castle kitchen. She was very poor. But she was also very beautiful, and funny, and very good at Scrabble. So the king fell in love with her, and married her. The king loved the queen very much. But the queen was always afraid that the king would meet someone more beautiful. Luckily, the queen had a magic mirror. The mirror saw everything and knew everything. Every day the queen looked at herself in the mirror, and asked:

К: “Magic mirror on the wall, who is the most beautiful of all?”

A: And the mirror replied:

З: “You are, my Queen! You are the most beautiful woman in the whole world.”

A: The queen was happy. She knew there was nobody in the world as beautiful as her.

But one day everything changed. The queen stood in front of the mirror and asked her usual question.

К: “Magic mirror on the wall, who is the most beautiful of all?”

З: “You are very beautiful, my Queen. But the most beautiful woman in the world is... Snow White.”

A: The queen was shocked.

К: “Who is this Snow White?”

З: “Snow White works in the castle kitchen. She has hair as black as night, lips as red as roses, and skin as white as snow. she is a bit more beautiful than you.”

К:ARRRGHHH!!” “I will lose everything!” (yelled the queen. She stepped her feet, sat down and sobbed.)

A: The queen was afraid, and that fear turned her heart cold and hard. She called a trusted hunter to her room.

К: “Find the girl, Snow White,” (she ordered. )“Take her far, far away. Take her deep into the woods.”( And then the queen looked deep into the hunter’s eyes.) “She must never come back.”

A: The hunter found Snow White, and took her into the forest.

When they reached the deepest, darkest part of the forest, the hunter stopped.

О.:“Go! Run fast and far and don't ever go home!”

( Snow White watched the hunter disappear. )

Б: “Well, I can’t go home now. But I can’t stay here either. Ok feet, let’s go.”

(She looked around at the dark and silent forest. It started to rain)

A: Snow White ran and ran. She ran all morning and all afternoon. By night, she was not beautiful anymore. She was tired, hungry, and shivering with cold. But then Snow White smelled woodsmoke in the air. She followed the smell and found a cottage in the woods. She knocked on the door.

Б: “Hello?” (She called out.) “Is anyone home?” (There was no answer. She pushed the door open and went inside. )

A: Inside the cottage were seven tiny beds, seven tiny chairs, and a fire, a big table with dirty dishes.

Snow White was very hungry and thirsty. She found some bread, and ate it.

She found some milk, and drank it.

Then she sat in front of the fire and fell asleep.

ВЫХОД ГНОМОВ. ТАНЕЦ ГНОМОВ.

A: When she woke up, there were seven dwarfs standing around her.

Snow White rubbed her eyes.

Б: “Who are you?”

Г1: “This is our house!” (said one dwarf, angrily. ) “Who are you?”

Г2: “Shhh, you'll scare her!” ( said another.)

Г3: “She’s a giant. She scares me!” (said another. )

Б: “Can I stay with you?” (asked Snow White) I can’t go home.”

(The dwarfs whispered amongst themselves.)

ГНОМЫ: “Ok. “But only if you help us wash the dishes. We hate washing dishes.”

Б: “It’s a deal,” said Snow White.

A: And so, Snow White found a new home with the seven dwarfs. Every morning she washed the dishes.

And every morning, as the dwarfs left for work, they said

ГНОМЫ: “Be careful. Don’t open the door for anyone... And thank you for washing the dishes. We really hate washing dishes.”

A: Back at the castle, the queen was feeling better. She thought Snow White was gone forever. But she was still a little afraid.

КОРОЛЬ: “Come and play Scrabble with me, my love! You can go first!”

К: “Maybe later, dearest,” (She stood in front of her magic mirror. ) “Magic mirror on the wall, who is the most beautiful of all?”

З: “You are very beautiful, my Queen. But the girl Snow White is the most beautiful woman in the world.”

К: “Snow White is ALIVE???” shouted the queen.

З: “She is living with the seven dwarfs in the forest.

К: “AAAAAH!” (shouted the queen.)

A: She went to her closet and got her old coat and old boots.

К: “I’ll have to kill her myself!” (She ran to the forest.)

A: Snow White was reading beside the fire when there was a knock on the door. (KNOCK KNOCK!)

A: She peeked through the window. There was a woman holding a basket of fruit. The woman had a beautiful face, but she was wearing an old dress and old boots.

K: FRUIT! FRESH FRUIT! APPLES AND BANANAS AND PEARS AND ORANGES!"

Б: "Oh, I want some fruit..."

K: "Hello dear!" said the woman. "Do you want some fruit?"

Б: "I love apples... But those apples might be poisoned."

K: "Oh, how silly," (She cut an apple in half.) Here. You can taste half, and I will eat the other half. (Snow White opened the door and took a big bite of the apple. Almost immediately, Snow White fell to the ground.)

A: The apple was poisoned! The queen quickly rode back to the castle.

A: When the dwarfs arrived home, they found Snow White lying on the floor.

(They yelled in her ears. They tickled her feet. They poured cold water on her face. But she didn't wake up.)

Г4: "Is she ... dead?"

Г5: "She doesn't seem to be alive..."

A: And so the dwarfs made a glass coffin for their beloved friend. They set it in a beautiful part of the forest, surrounded by flowers. Snow White lay there for over a year: through spring, summer, autumn and winter. One day, a prince from a different kingdom was walking through the forest with his dog. He saw Snow White's strange glass coffin with Snow White inside. (Just then, he tripped over his dog and knocked the coffin off the table! Snow White rolled out of the coffin and onto the grass.)

И: "Oh no!" (But then an amazing thing happened)

A: The piece of poisoned apple that was stuck in Snow White's throat fell out, and she began to cough. (The prince rushed to help her.)

Б: "Apples..." (she coughed.)

И: "Excuse me?"

Б: "No .. more .. apples!" (coughed Snow White.)

A: That night, the queen stood in front of the magic mirror and asked her question.

K: "Magic mirror on the wall, who is the most beautiful of all?" (And to her surprise, the mirror said)

З: "You are very beautiful, my Queen. But... Snow White is again the most beautiful woman in the world."

K: "WHAAAAAAT?????" (screamed the queen. And in her anger, she picked up a shoe and threw it at the mirror.)

A: The mirror smashed into a thousand pieces, and the magic inside it was released.

K: "NOOOOOOOOOO!" (screamed the queen. She collapsed on the floor and fell into a deep sleep.)

A: While she slept, the queen had a strange dream. In her dream, she was dancing in hot iron shoes. Her feet burned and burned, but she couldn't stop dancing. When the Queen woke up from this terrible dream, it was morning. The sun was shining, and the Queen felt ...different. The magic mirror was broken, so she didn't feel jealous anymore. She felt free. She went downstairs to find her husband. She really wanted to play Scrabble. And what happened to Snow White? The dwarfs were very happy to see Snow White alive. They invited the prince for dinner. When the prince learned that nobody liked washing dishes, he bought them a dishwasher. Everybody lived happily ever after.
